Dear Loyal Customer:

Marion-Kay Spices has taken a long-standing position against using irradiation for sterilization of spices, herbs and other products we manufacture. The accompanying potential harmful effects in consuming irradiated products are an issue with our beliefs as a company. Therefore, we do not use any ingredients or products that are irradiated.

This letter guarantees that all products manufactured by and supplied to you by Marion-Kay Spices are non-irradiated.

We at Marion-Kay Spices pride ourselves with providing you, our valued customers with the best products this world has to offer. "There Really Is A Difference." If you have any further questions or concerns regarding irradiation and how it relates to the products we provide you, please contact our customer service team.
